

DAYCARE BUSINESS FOR SALE

LOCATED IN CENTRAL OHIO

TURN-KEY

An excellent opportunity to acquire an established, revenue-generating daycare business serving families in a growing market. This well-positioned childcare operation offers a strong foundation for an owner-operator, experienced childcare professional, or investor seeking an established business with existing operations, infrastructure, and significant room for growth.

ENROLLMENT READY

The daycare is licensed for a substantial number of children, providing the ability to generate meaningful revenue while maintaining considerable upside through increased enrollment. The business is currently operating below its full licensed capacity, creating an immediate opportunity for a new owner to increase enrollment and optimize staffing/operations.

RARE OPPORTUNITY

CONFIDENTIALITY DISCLOSURE REQUIRED

\$1,500,000

This is an attractive opportunity for a buyer looking to acquire an existing childcare business with proven revenue, substantial infrastructure, and meaningful upside. The combination of an established operation and available enrollment capacity provides a new owner with multiple avenues to grow revenue and improve overall financial performance. Also included are multiple systems that coincide with the sale of the business; Website, Social Media Accounts, Name of Business, Transportation Vehicles, Existing Client List. The building has updated mechanicals, and an updated lease on the building.
